CASE NO.1:18CR33

FINDINGS OF FACT AND RECOMMENDATION ON GUILTY PLEA
BEFORE THE UNITED STATES MAGISTRATE JUDGE

By order of the District Court, this matter was referred to the undersigned United States Magistrate Judge for administration of a guilty plea and allocution under Rules 11 and 32 of the Federal Rules of Criminal Procedure. Magistrate judges have the statutory authority to conduct a felony guilty plea proceeding as an “additional duty” pursuant to 28 U.S.C. § 636(b)(3). *United States v. Bolivar-Munoz*, 313 F.3d 253, 255 (5th Cir. 2002), *cert. denied*, 123 S. Ct. 1642 (2003). On February 6, 2019, this cause came before the undersigned United States Magistrate Judge for entry of a guilty plea by the defendant, **Kyle Robert Sipes**, on **Count One** of the charging **Indictment** filed in this cause.

Count One, of the Indictment charges that on or about January 13, 2018, in the Eastern District of Texas, Kyle Robert Sipes, defendant, having been convicted of a crime punishable by imprisonment for a term exceeding one year, namely; Aggravated Assault with a Deadly Weapon, a felony, in Case Number 17947, in the Second Judicial District Court of Cherokee

County, Texas, on April 12, 2011, did knowingly possess in and affecting interstate and foreign commerce, a firearm, namely: one (1) Marlin, Model 60, .22 caliber rifle, serial number 91438949; one (1) Hawk Industries, Model H&R Pardner Pump, 12 gauge shotgun, serial number NZ852399; and one (1) Remington, Model Nylon 66, .22 caliber rifle, serial number 2147757, in violation of 18 U.S.C. § 922(g)(1).

Defendant, Kyle Robert Sipes, entered a plea of guilty to Count One of the Indictment into the record at the hearing.

After conducting the proceeding in the form and manner prescribed by Federal Rule of Criminal Procedure 11 the Court finds:

a. That Defendant, after consultation with counsel of record, has knowingly, freely and voluntarily consented to the administration of the guilty plea in this cause by a United States Magistrate Judge in the Eastern District of Texas subject to a final approval and imposition of sentence by the District Court.

b. That Defendant is fully competent and capable of entering an informed plea, that Defendant is aware of the nature of the charges and the consequences of the plea, and that the plea of guilty is a knowing, voluntary and freely made plea. Upon addressing the Defendant personally in open court, the Court determines that Defendant's plea is voluntary and did not result from force, threats or promises. *See* FED. R. CRIM. P. 11(b)(2).

c. That Defendant's knowing, voluntary and freely made plea is supported by an independent factual basis establishing each of the essential elements of the offense and Defendant realizes that his conduct falls within the definition of the crimes charged under 18 U.S.C. § 922(g)(1).

STATEMENT OF REASONS

As factual support for Defendant's guilty plea, the Government presented a factual basis. *See Factual Basis*. In support, the Government and Defendant stipulated that if this case were to proceed to trial the Government would prove beyond a reasonable doubt, through the sworn testimony of witnesses, including expert witnesses, as well as through admissible exhibits, each and every essential element of the crime charged in Count One of the Indictment. The Government would also prove that the defendant is one and the same person charged in the Indictment and that the events described in Indictment occurred in the Eastern District of Texas and elsewhere. The Court incorporates the proffer of evidence described in detail in the factual basis and stipulation in support of the guilty plea.

Defendant, Kyle Robert Sipes, agreed with and stipulated to the evidence presented in the factual basis. Counsel for Defendant and the Government attested to Defendant's competency and capability to enter an informed plea of guilty. The Defendant agreed with the evidence presented by the Government and personally testified that he was entering his guilty plea knowingly, freely and voluntarily.

RECOMMENDED DISPOSITION

IT IS THEREFORE the recommendation of the undersigned United States Magistrate Judge that the District Court accept the guilty plea of Defendant which the undersigned determines to be supported by an independent factual basis establishing each of the essential elements of the offense charged in **Count One** of the charging **Indictment** on file in this criminal proceeding. Accordingly, it is further recommended that, Defendant, **Kyle Robert**

Sipes, be finally adjudged as guilty of the charged offense under **Title 18, United States Code, Section 922(g)(1)**.

Defendant is ordered to report to the United States Probation Department for the preparation of a presentence report. Defendant has the right to allocute before the District Court before imposition of sentence.

OBJECTIONS

Objections must be: (1) specific, (2) in writing, and (3) served and filed within fourteen (14) days after being served with a copy of this report. *See* 28 U.S.C. § 636(b)(1). A party's failure to object bars that party from: (1) entitlement to *de novo* review by a district judge of proposed findings and recommendations, *see Rodriguez v. Bowen*, 857 F.2d 275, 276-77 (5th Cir. 1988), and (2) appellate review, except on grounds of plain error of unobjected-to factual findings and legal conclusions accepted by the district court, *see Douglass v. United Servs. Auto. Ass'n.*, 79 F.3d 1415, 1417 (5th Cir. 1996) (en banc). The constitutional safeguards afforded by Congress and the courts require that, when a party takes advantage of his right to object to a magistrate's findings or recommendation, a district judge must exercise its nondelegable authority by considering the actual evidence and not merely by reviewing and blindly adopting the magistrate's report and recommendation. *See Hernandez v. Estelle*, 711 F.2d 619, 620 (5th Cir. 1983); *United States v. Elsoffer*, 644 F.2d 357, 359 (5th Cir. 1981) (per curiam).

SIGNED this the 1st day of March, 2019.

KEITH F. GIBLIN
UNITED STATES MAGISTRATE JUDGE
